

# Acquiring new Heavenly 'tools'

Growing in our authority and effectiveness

Question: What options do I have to impact the issues in my world?

In the past, we only knew of (or used) one main 'tool' – our **petition** tool... which included prayers of supplication, entreaties and lots of plaintiff, e.g., the Luke 18 widow. By definition, this puts God at a distance from us... and reflects a potentially tenuous relationship. But we know better now, and are steadily gaining new operating tools that reflect the upgraded revelation we have of who we are in God's eyes.

Here's an overview of our growing list of 'tools', at least what we know at this time...

1. Petition / supplication / cry out / plaintiff / beggar style – (how we start with God) – Ps 86:6
2. Pray in tongues... partnering with Holy Spirit – Rms 8:26, I Cor 14:2
3. Invite / look for Father/Jesus in the situation – Sozo style – Acts 10:22
4. Simply agree with God, like a child – (Bob Jones 20teens) *"have the faith OF God"* – Mk 11:22 YLT
5. Prophecy into the situation – share insights and foresights to help inspire change – I Cor 14:1, 31
6. Informed intercession – AFTER we hear, we declare/decre as the *"oracles of God"* – I Pet 4:11
7. Expand our spirits over the situation and bring it in under our spirit – Acts 5:15; Matt 10:13
8. Spirit travel in the Heavens to the location – II Kngs 5:26, I Cor 5:3-4
9. Time travel to 'redeem' the past... or set things in place in the future – Eph 5:16 NKJV
10. Release / commission appropriate angels into the situation – Ps 103:20
11. We meet corporately in the Heavens – there, we hear our Lord's plan – Ex 24:9-11; Heb 12:23
12. Engage with saints who've gone on – as we're *"perfected"* together – Heb 11:40; Lk 9:31
13. Translate physically to location to fulfill a mission – (Ladies of Gold) – Jn 20:19; Acts 8:39-40
14. We personally become a sign and wonder – *"then the nations come..."* – Isa 60:1-3
15. Laying on of hands – Level #1 (physical) and level #2 (in the Spirit) – Lk 4:40; Mk 16:18
16. Draw water from the River of God within us and give it away – Lk 17:21; Jn 7:38; Is 12:3
17. Co-creator with God - *"Call forth those things which are not as though they were"* – Rms 4:17
18. Via Light from our spirit, we convey 'virtue' and Heavenly commerce – I Jn 1:7, Matt 5:14

As we mature - and as Father deems it timely - these 'tools' are granted to us. Each additional 'tool' requires another 1) level of maturity, 2) greater devotion to Jesus, and 3) greater character to keep us from misuse of the 'tool'... because, each successive tool brings with it, increasingly more liberty, more authority and more power.

These are just for starters to inspire us into an eternity of new Heavenly territories and tools opening up to us – Ps 16:11. Let's say it together, "There will never ever be a reason to be bored again!"
